## **REQUIREMENTS**

Call **1-888-497-7543** every Sunday through Thursday between 6:00 pm and 8:00 am to obtain the color for the following day.

Report to the U.S. Probation Office on the day specified by your assigned color between 8:30 am and 4:30 pm.

## **WHEN YOU REPORT FOR TESTING**

Remove all items from your pockets and lock all coats, bags, and items removed from your pockets in a locker (if available) before entering the Probation Office.

Provide to the collector copies of any prescriptions and/or over the counter drugs you have taken in the two weeks prior to and including the date of testing.

Provide a fresh, clean, unadulterated and undiluted urine specimen sufficient to fill at least 60 ml (3/4) of a bottle.

## **BE AWARE THAT:**

Urine specimens that test positive for a controlled substance (that was not prescribed to you) will be considered a violation of your supervision.

You will be sent home and asked to return to the office if you fail to have copies of any prescriptions and/or over the counter drugs that you have taken in the past two weeks.

Attempts to tamper with the collection procedure or ingest a substance in an attempt to alter the results of the test will be considered a violation of your supervision and will be reported to the Court or the U.S. Parole Commission.

Inability to provide a sample will be viewed as a refusal to provide a sample.
